What is a legacy gift ?

How to write a will and leave a gift to NTC?

How to write a will for free?

Why leave NTC a legacy gift and how will your gift be used?

What is a will and why is it important?

A will is a legal document that outlines how a person & assets will be distributed after they die. It allows individuals to specify their wishes and appoint an executor to manage their estate. Without a will, state laws determine asset distribution, which may not align with the person & wishes. Having a will provides peace of mind, reduces stress and conflict for loved ones, and is important for everyone, regardless of age or estate size.

What is a legacy gift ?

A legacy gift is a charitable donation that individuals include in their will or estate plan. It allows them to support a cause they care about even after they pass away. For example, someone may choose to allocate a portion of their estate to a nonprofit organisation like the Nurture the children (NTC). These gifts can be in the form of money, investments, real estate, or personal property. By leaving a legacy gift, individuals leave a lasting impact and continue to make a positive difference in the world, even beyond their lifetime.

How to write a will and leave a gift to NTC?

Step 1: Determine your assets and beneficiaries.

Make a list of all your assets, including property, bank accounts, investments, and personal belongings.

Consider who you would like to inherit these assets after you pass away.

Step 2: Choose an executor.

Choose someone you trust to be the executor of your estate. The executor will be responsible for managing your estate and ensuring that your wishes are carried out.

Step 3: Consider leaving a gift to NTC.

Consider leaving a legacy gift to us (NTC) and help us make a positive change in children's lives.

Step 4: Write your will.

Draft your will with the help of a lawyer or using an online will-making service. If you have included NTC in your will, you may wish to let us know by contacting us and giving us a opportunity to thank you properly!!

How to write a will for free?

A gift to charity in your Will costs nothing in your lifetime and makes a difference for years to come.

The National Free Wills Network have teamed up with local solicitors across the UK and some of your favourite charities to make it easy to leave a gift in your Will to your chosen charity.

A gift costs nothing in your lifetime and makes a difference for years to come.

Having an up-to-date Will prepared by a solicitor is the best way to ensure that your future wishes will be carried out. It is also the perfect way to leave something to help the charity continue their vital work for generations to come, though there is no obligation to do so.

Why leave NTC a legacy gift and how will your gift be used?

Leaving a Legacy Gift to Nurture the Children - Empowering Lives, Nurturing Futures

Nurture the Children is a beacon of hope, supporting vulnerable children in our community. Our mission is to provide essential care and resources, ensuring every child can thrive. Through impactful programs, we have transformed countless lives. Join us in this noble endeavour by leaving us a legacy gift.

Here are some key reasons why leaving a legacy gift to Nurture the Children is a remarkable opportunity:

1. School Feeding & Food Banks: Your legacy gift sustains our mission to provide 2,250,000 meals annually, offering vital nutrition and incentivising children to attend school, away from the perils of the streets. By nurturing their physical well-being, we empower them with hope for a brighter future.

2. Clean Water for Schools: Your support ensures access to clean water, a fundamental right that significantly enhances children's health and education. Through life-changing water projects, made possible by your legacy gift, children stay well-hydrated, healthy, and up to 80% more likely to attend school regularly.

3. Medical Outreach Programs: Desperate families in camps for internally displaced people face immense challenges, including limited healthcare access. Your legacy gift enables our dedicated medical outreach teams to bring hope and healing, offering essential support to vulnerable families across Plateau State in Nigeria.

4. Boiled Egg Distribution: By leaving a legacy gift, you sustain our program that provides boiled eggs to school children and families in internally displaced people camps. This initiative goes beyond addressing hunger, enhancing health and nutrition.

Each boiled egg becomes a symbol of nourishment, care, and the promise of a better future for countless lives.

5. Love Peace Programme UK: Nurture the Children & Love Peace Programme, supported by a National Lottery grant, empowers children aged 4 to 17, fostering cultural awareness and addressing violence, mental health, and well-being. Your legacy gift enables us to work closely with children from diverse backgrounds, promoting peace, understanding, and respect.

By supporting the growth of future generations, your gift contributes to building a harmonious society.

6. NTC in Partnership With The UK Home Office: Nurture the Children has developed a programme called DOTI – Dignity Of The Immigrant. This crucial initiative provides immigrants with accurate information, confidential support, and the opportunity to gain confidence and human dignity. Your legacy gift ensures that immigrants struggling with immigration matters can access the right information and guidance they need to regularise their stay in the UK. Join us in empowering immigrants and creating an environment of support and confidentiality through your lasting impact.
